NEW! PAYROLL PROCESSING FOR NONPROFIT

Services provided with your unique needs and budget in mind!

NYCON Members now receive a **15% discount** off of “Payroll for Nonprofits” (PFNP) services. In addition to the standard products such as direct deposit, tax filing, and vacation and sick accruals, PFNP can provide detailed reporting, the capacity to handle a large and complex chart of accounts, text files for import, and other services unique to nonprofit needs. PFNP was founded by former consultants, CFOs, controllers, accountants, and bookkeepers who have worked in the nonprofit sector and understand the payroll needs of nonprofits and the challenges that go with them. **Want to Get Started Today? NEW! “WE CERTIFY” TIME AND EFFORT REPORTING SOFTWARE

A new web-based effort certification system designed specifically for nonprofits to ensure compliance with federal effort reporting regulations.

Nonprofits who receive federal funding, either directly or from a pass-through, are required to comply with the time and effort reporting provisions of 2 CFR Part 230, formerly known as OMB Circular A-122. Yet, either by virtue of not understanding the complex regulations, or simply lacking resources, nonprofits commonly struggle with effort reporting and its concepts. We Certify provides an easy to use, customizable solution designed to achieve compliance without specialized training or expensive software. **NYCON Members receive a 17% discount off of published pricing. For more information please contact: wecertify@healthresearch.org or visit www.healthresearch.org/wecertify**
